TO

Miss Kauthara Yakub

Tereta Technologies

Sir,

My attention was immediately drawn to the ad on Indeed in which you stated you are looking for a front end web developer. The profile you have outlined fits me very well as I will further explain in this letter.

FROM

Roselyn Oghoghosa Imafidon

Frontend web developer

I have recently completed my studies at Udacity. During these studies, students are readied for the position of frontend web developers. The studies focuses on projects with he topics of web interaction as well as JavaScript are extensively discussed. In order to make good use of my acquired knowledge and skills, I would like to work for Tereta, in the position of Frontend web developer. During these studies, students are readied for the position of frontend web developers. The studies focus on projects as the topics of web interaction as well as JavaScript are extensively discussed. In order to make good use of my acquired knowledge and skills, I would like to work for Tereta, in the position of Frontend web developer.

I would describe myself as someone who is focused and hardworking and would like to put these characteristics to use within your organization. Given my education at Udacity, I think I am perfect for the position of Frontend web developer. The components that were discussed during my studies closely match the skills required for this position.

I would like to further explain my motivation for the position of Frontend web developer during a personal meeting. You can reach me either by phone via +2348132245651 or by email via imafidonroselyn7@gmail.com.

Thank you for your consideration. I look forward to hearing from you.

Sincerely,

Roselyn Oghoghosa Imafidon
